AMENDMENT AND RESPONSE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir,

In response to the Office communication mailed April 4, 2007, Applicants elect claims 1-34 for prosecution. Further, Applicants provisionally elect the species of compound #57, and identify claims 1, 3, 5, 6, 10, 12, 13, 19-22, 24-27, 29-33, 36, and 38 as readable thereon. Applicants admit some confusion as to what the Office communication required as explained in the remarks section. To the extent that the Office believes that there are more than 2 inventions (those defined by (1) claims 1-34 and (2) claims 35-38), Applicants respectfully traverse.

Amendments to the Claims are reflected in the listing of claims which begins at page 2 of this paper. **Remarks** begin on page 17 of this paper.
